#### HOSPITALS OPENED AT COAL TRUSTS

A new 160-bed traumatological hospital has been put into operation at the "Karagandaugol'" combine in honor of Miners' Day. A new 60-bed maternity home in the Shakhhtinskiy region of Karagandacity, and a new 40-bed therapeutic hospital in the Kirovskiy region, have been put into operation.

At the "Shchekinskugol'" Trust, Shchekino, Tula Oblast, all health points have been repaired and put in order and a new building for a health point at mine No 19 has been constructed in honor of Miners' Day.

At the "Shakhtantratsit" Trust, Ayuta, Rostov Oblast, a new dispensary will be opened on Miner's Day. It will include surgical, physiotherapeutical, and other departments. It will be one of the finest medical institutions of Krasnogvardeisk Rayon. The construction of a building for a drugstore will be finished shortly at the large "Nezhdannaya" mine.

The "Makeyevugol'", "Sovetskugol'", and "Krasnogvardeyskugol'" trusts in the Ukraine will put two well-equipped hospitals into operation by Miner's Day. Two hospital buildings at mines No 13 and "Kapital'naya" have been constructed, and repair work on three hospitals, six dispensaries, and eight nurseries is being completed. The 65-bed city maternity home has been reconstructed.

\* \* \*

A poliotherapeutic hospital utilizing local peat has been constructed in Ivanovo. Chronic polyarthritis, traumatic contractures, and lumboschialgia will be treated here.

A night sanatorium for workers has been put into operation at the Amvrosiyev cement plant, Stalinsk Oblast.

Rural "stations" /dispensaries for bed patients/ have been opened for medical sections of Dzbagdy-Ochemchiri, Drandy-Gul'ripshskiy, and Baklanovka-Gudauty rayons of Abkhaz ASSR.

The construction of a 25-bed dispensary has been completed in the Staro-Bobovich dispensary section of Novozybkov Rayon.

The newly reconstructed central drugstore has been opened in Kirovograd.

The republic conference of state sanitation inspectors and sanitation doctors on social and communal hygiene met in Kiev.

In Dzhambul, Kazakh SSR, the leading medical and veterinary workers of the rayons held a conference dedicated to the organization of joint work in the fight against brucellosis.
